

COLOR SENSE

VOXFLO^R
passion and purpose

00.

OUR GOAL

Sensual color accents inspire and energize **six beautiful gradated pastels** in a plush multi-level loop plank. It is a natural partner for Sense and an original design in its own right. **Each color consists of eight tiles to finalize a two-meter-long graduation.** All the tiles and colors can be mixed and matched according to any needs.

Manufacture System

SOLAR
made carpet

VOXFLOR builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOR® represents qualified and trusty products.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

VOXFLOR recommends using its own carpet tile tackifier with rust inhibitor. It is an EC-1 PLUS certified adhesive.

Ultra-Fresh is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare.

Declare is a transparency platform to share and find healthy building products. VOXFLOR's EcoAce-Bac® Collection reach "Red List Free" grade.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Cradle to Cradle Certified® is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.
