Slow Adaptation

Natural environments offer valuable lessons in strength and resilience. Slow adaptation embodies a spirit of patience and determination.

The Slow Adaptation features irregularly shaped blocks and twisted lines as its design elements, evoking a sense of unyielding strength. It consists of five neutral tones carefully selected to harmonize with a variety of environments. Vibrant accent colors have been developed based on these tones, adding a sparkling touch and creating a visually engaging atmosphere.

Lush Growth

Nature is always filled with vibrant energy. Lush Growth interprets the richness and diversity of nature with its pattern.

The pattern seamlessly integrates clustered dots and interlaced lines, infusing the carpet design with subtle variations that captivate the eye. Sharing the color palette of Slow Adaptation, it offers another unique alternative choice while maintaining the harmony of the entire collection.

An aerial photograph showing a large, rectangular, light-colored building, possibly a school or institutional building, situated in a grassy field. A road or path runs horizontally across the middle of the image, separating the building from the foreground. The foreground is a mix of green grass and some darker, possibly paved or dirt areas. The background shows more of the field and some distant structures.

Manufacture System

SOLAR
made carpet

VOXFLOOR® builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.

Eco-Ace-Bac® Collection
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Ultra-Fresh® is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

PUREWEAVE™

VOXFLOOR® offers PureWeave Nylon, a solution-dyed nylon fiber with built-in enhanced stain resistance ability against acid-based stains, which account for over 90% of the stains in daily life, such as tea, coffee, juice, etc. This feature gives carpet tiles long-lasting and effective anti-stain properties with lower maintenance costs, and longer product lifespan.

Cradle to Cradle® Certified is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.
