

SEAFOAM

VOXFLOR®
passion and purpose

00.

OUR GOAL

With its freshness and vitality, Seafoam evokes a sense of hope from the ocean's surface.

Embracing the concept of renewal and transformation can infuse our lives with optimism, hope, and a deep appreciation for the beauty of change. It reminds us that no matter how daunting the journey may seem, the potential for growth, renewal, and transformation is always waiting to be discovered beneath the surface, ready to bring us new opportunities.

Seafoam 417

01.

SEAFOAM

The pattern is seamlessly generated every time, covering every part of the space with a constantly changing and evolving look. Delicate color accents gently blend with the base, creating a new and unique appearance.

ORGANIC DESIGN

UNPREDICTABLE VARIATIONS

Seafoam comprises eight neutrals that can be combined into six delicate accent colors to respect the space's neutrality. It brings a touch of innovation from the gentle organic dynamics inspired by the unpredictable design generated by the waters whipped by the wind.

Specifications

Style Name:	Seafoam
Construction:	Multi-Level loop
Fiber:	PUREWEAVE™ Nylon
Gauge:	1/12"
Stitches:	13 per inch
Pile Weight:	20 OZ/yd²
Average Pile Height:	4.0 ± 0.5mm
Backing:	EcoAce-Bac®
Tile size:	50cm*50cm
Area of Use:	Commercial – Heavy Duty
Anti-microbial:	Ultra Fresh Treatment (Available)
Flammability:	ASTM E648 Class I, GB8624-2012 B1(C)
Smoke Density:	ASTM E662≤450
Static Propensity:	AATCC-134≤3.5 KV, GB/T 18044-2008≤3.5 KV

Manufacture System

SOLAR
made carpet

VOXFLOOR® builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Ultra-Fresh® is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

PUREWEAVE™

VOXFLOOR® offers PureWeave Nylon, a solution-dyed nylon fiber with built-in enhanced stain resistance ability against acid-based stains, which account for over 90% of the stains in daily life, such as tea, coffee, juice, etc. This feature gives carpet tiles long-lasting and effective anti-stain properties with lower maintenance costs, and longer product lifespan.

Cradle to Cradle® Certified is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.
