

SOUNDTRACK

COLLECTION

Ambient, Folk and HardRock provide different pattern intensity, from gentle and delicate to intense and vibrant. Like in music, Soundtrack Collection offers **different variations on the same theme** offering **nine colors** for each style.

01.

OUR GOAL

Soundtrack Collection is like the musical theme playing in the background. It's the **visual accompaniment of our daily life**. It fills with **harmony** the flat flooring surface, with **little passionate accents** here and there, gentle and delicate when it's about **Ambient**, rapid and vivid with **Folk**, stronger and vibrant for **HardRock**. Just follow the rhythm and **play with us!**

VOXFLO^R
MILANO CREATIVE STUDIO

Hardrock 01

02.

COLLECTION

Play and pause over three different frequencies creates **unique patterns** in which the sequence of solids and voids are perfectly balanced **just like into a melody.**

SOUNDTRACK GOOD VIBES ONLY

While HardRock provides a stronger rhythmic sequence in which peaks are higher and breaks are shorter, Folk is more balanced and the acoustics more linear whereas Ambient is quiet and its accents stay in a more stable range.

Ambient 08, Folk 08, HardRock 08

To create a **great symphony**, the different products of the Collection **can be even mixed up together**, creating a unique and **stylish pattern** design to satisfy any possible creative needs.

Specifications

Style Name:	Ambient; Folk; HardRock
Construction:	Multi-level Loop
Fiber:	ECONYL® Regenerated Nylon by Aquafil
Gauge:	1/10”
Stitches:	10 per inch
Pile Weight:	28 OZ/yd²
Average Pile Height:	5.0 ± 0.5mm
Backing:	EcoAce-Bac® pro
Tile size:	50cm*100cm
Total Thickness:	10.0 ± 0.5 mm
Area of Use:	Commercial – Heavy Duty
Anti-microbial:	Ultra-Fresh Treatment (Available)
Flammability:	ASTM E648 Class I, GB8624-2012 B1(C)
Smoke Density:	ASTM E662 Less than 450, GB/T 8627-1999
Static Propensity:	AATCC-134≤3.5 KV, GB/T 18044-2008

Manufacture System

SOLAR
made carpet

VOXFLOOR builds its own solar power generation system and use clean energy to produce in a sustainable way.

An Environmental Product Declaration (EPD) tells the life cycle story of a product in a single, comprehensive report. The EPD provides information about a product's impact upon the environment, such as global warming potential, smog creation, ozone depletion and water pollution.

Administered by the Singapore Environment Council (SEC) since 1999, It is Singapore's leading environmental standard and certification mark with over 3800 unique products certified across 43 countries.

Credits Contribution to:

LEED (Leadership in Energy and Environmental Design) is the most widely used green building rating system in the world. LEED certification is a globally recognized symbol of sustainability achievement and leadership.

Our manufacture system has been certified under ISO 9001, ISO 14001 and ISO 45001, which means with the management, production facility and the strict quality controls, VOXFLOOR® represents qualified and trusty products.

EcoAce-Bac®
GLP No. : 100231

Green Label Plus is an independent testing program that identifies carpet, adhesives, and cushion with very low emissions of VOCs to help improve indoor air quality.

VOXFLOOR recommends using its own carpet tile tackifier with rust inhibitor. It is an EC-1 PLUS certified adhesive.

Ultra-Fresh is a portfolio of antimicrobial treatments developed by Thomson Research Associates, Inc. Customer can choose this High-Performance Antimicrobial Technology.

WELL is the leading tool for advancing health and well-being in buildings globally. Register your office, building or other space to leverage WELL's flexible framework for improving health and human experience through design.

Declare.

Declare is a transparency platform to share and find healthy building products. VOXFLOOR's EcoAce-Bac® Collection reach "Red List Free" grade.

CE marking indicates that a product has been assessed by the manufacturer and deemed to meet EU safety, health and environmental protection requirements.

Cradle to Cradle Certified® is the global standard for products that are safe, circular and responsibly made. It is to ensure the impact of their products on people and planet is a positive one.
